# 1978 THE CHOICE

Vol XXXIV  
Anacoco High School  
Anacoco, La.

Mr. Billy E. Crawford

The Yearbook Staff welcomes Mr. Billy E. Crawford to AHS. Mr. Crawford received his B.A., M.A. and Plus 30 from Northwestern State University with certification in Social Studies, English and Administration. He previously worked at Leesville High, Vernon Elementary and Hornbeck High School. Prior to Mr. Crawford's appointment as principal of AHS, he served as Guidance Counselor and Assistant Principal at Hornbeck High.

Working with Mr. Crawford has been very rewarding. He gave the Staff and Yearbook Sponsors full cooperation and consideration. We welcome Mr. Crawford to AHS. We wish him many years of continued success.

The Yearbook Staff

Congratulations! You have created a masterpiece of memories. I know that you will enjoy even now remembering the events of this past school year, but as time goes by and you get older this book will become a priceless treasure. Many times in the future you will take this annual and wander back to yesteryear when things were perhaps more simple. So because of this it is imperative that a yearbook be comprehensive, beautiful, well formatted and enduring; this yearbook is all of these things and more.

The Vernon Parish School Board, the Central Office Staff and I commend you on a very splendid publication.

Sincerely,

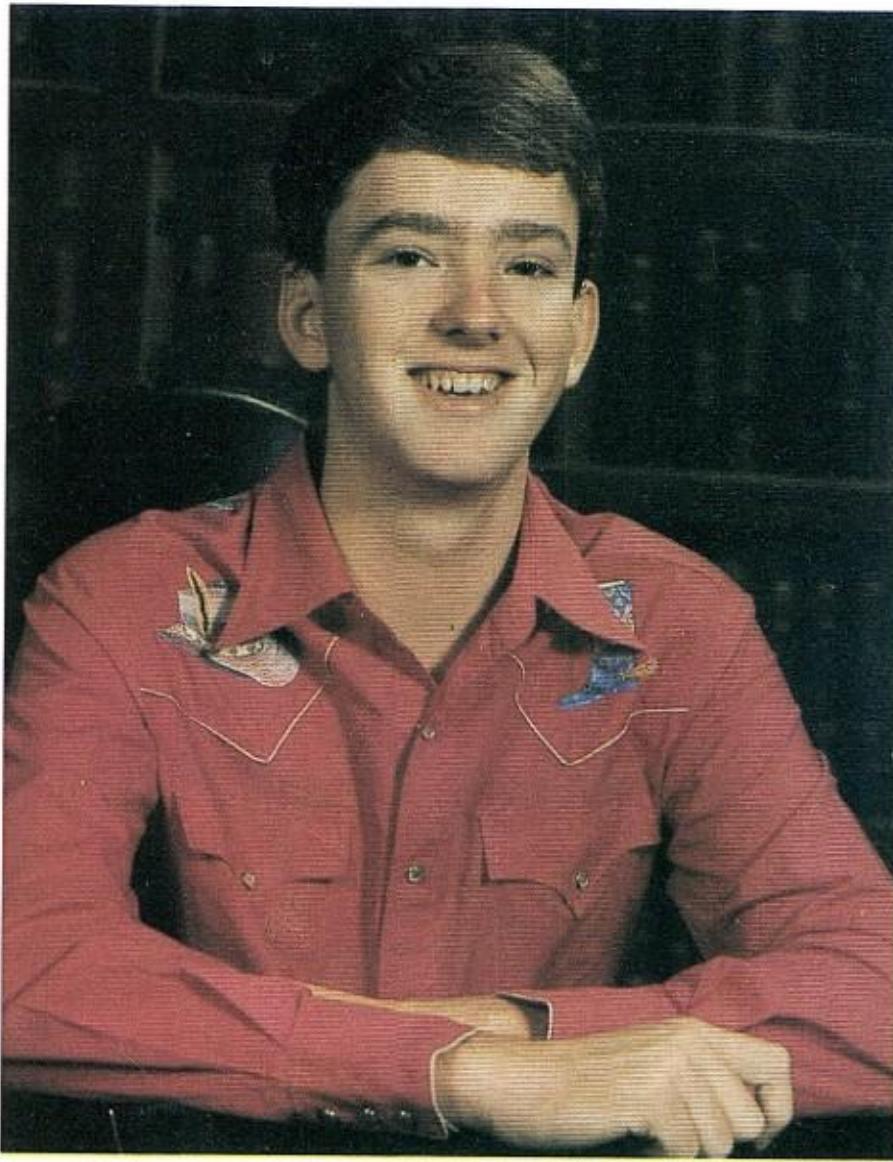

John C. Burns  
Superintendent

The students and employees of Anacoco High School wish to thank the voters of Orange School District for their generosity in passing the \$1,875,000.00 bond issue. This money is to be used for many needed improvements to our school campus. The Yearbook Staff wishes to commend Mr. Byron E. Farris, our Ward II School Board Member, for his tireless work in helping to get these proposals planned and passed.

Byron E. Farris  
Ward II Board Member

Each year in September there is a certain feeling in the air. Cowboys and cowgirls of Vernon Parish are preparing for the annual rodeo. Each school selects four contestants who work very hard to sell tickets for the rodeo. The contestant who raises the most money is rewarded by representing her school in the Leesville Rodeo Queens Contest. This year Miss Cheryl Brooks led the school contest and represented our school very well. The young ladies raised a total of \$1630.00. This money is used to pay the bills of the rodeo which is sponsored by the Leesville Lions Club. All profits from the rodeo go to the Lions Crippled Children's Camp.

## Teacher of the Year

Mr. Audrey Jones

AHS is justifiably proud of Mr. Audrey Jones, our music teacher. Mr. Jones, a graduate of Grambling, came to our school four years ago. Anacoco High School and Mr. Jones seemed destined for one another. The music program improved dramatically. The size and performance of the choir improved, more musical presentations at every grade level were given and regional acclaim for our program developed.

Mr. Jones was chosen for AHS, Vernon Parish, and Regional Teacher of the Year. He participated in the Louisiana Teacher of the Year contest. Mr. Jones deeply deserved these honors for doing an outstanding job of teaching music throughout our entire school.

Back: Billy Crawford — Principal, Jenny Tarou, Pam Williamson, Ricky Mitchell, Lori Martin, Cindy Ross, Ellen Bean, Lynn Lack, Kirk Wengart, Eddie Taylor, Peter Cuiry.

Literary rallies are conducted throughout the state to encourage students to pursue academic endeavors. AHS participated in the Southwest Literary Rally held at McNeese State University on March 17, 1984. The contestants, accompanied by Don Stokes, school sponsor and Mr. Crawford, principal, won second place in Division III. Those students placing first, second, and third participated in the State Literary Rally, held at LSU on April 7, 1984.

AHS did extremely well competing in Division III when we consider the fact that some of the competing schools were classified as double "A." AHS did not offer foreign language and vocational agriculture which also prevented our competition in these contests.

A tired choir returned from Nashville.

1983 Christmas Program

The 4th rated choir of the United States, in Division I, declared by the American Music Festival, worked very hard to uphold their reputation of being the best in the state.

The talented choir, under the direction of Audrey Jones, performed at the Veterans' Day Program. They performed at Fort Polk Elementary for their Christmas program as they have for the past three years.

On December 15, the choir presented their annual Christmas concert for the Anacoco Community. The choir participated in the Vernon Parish Honor Choir on January 21 and 22. February 21, they participated in the solo and small ensemble festival.

Once again the choir participated in the national competition in Nashville, Tennessee, April 25-29. The Show Choir rated 5th out of 25 and the Concert Choir rated 4th out of 10.

The Lady Indians had another super year. They scored an average of 50 points per game while allowing their opponents only 33. Their aggressive defense caused many turnovers by the opposing teams. During the course of the season our team compiled four first place tournament wins including: Hicks, Florien, Zwolle and the Vernon Parish Tournament. The team sported a spotless 10-0 District 7-B record for 1st place. Lori Martin was chosen 1st team All-State.

The Lady Indians were charged up for the state play-offs but met an equally ready Lacassine team in a cliffhanger that went three overtimes before we were defeated by a score of 37-35. Honors go to Coach Ortiz for being named District 7-B Coach of the Year. We also would like to bid farewell to Lisa Goins, our stellar guard who performed so consistently for the Lady Indians. Our season concluded with a season record of 35-6.

The Anacoco Indians had their best season ever with a 48-4 record. The Indians won 27 straight games before losing to Zwolle in the finals of Zwolle's tournament. Included in Anacoco's 48 wins are six tournament titles and two runners-up. They had victories over Lacassine, Washington, and Hessmer, before losing a tough game to Gibsland Coleman. We would like to bid farewell to the seniors of the team, Eric Beverly, Ricky Reese, John Juricek, and Pete Dowden, who contributed so much to the season's wins. Also, we would like to especially congratulate Ricky who was chosen to be on the All-State Team, participated in the All-Star Game and was chosen as MVP in Class B competition. We all appreciate the man who made this possible for the Indians, Coach Mickey Goins who was chosen as Coach of the Year in district 7-B and coached the All-Star game during the Summer of 1983.

## COMMEMORATION

The student body, faculty and staff deeply regret the passing of Peggy Josey, lunchroom employee for ten years. Mrs. Josey was loved and respected by everyone. She did a consistent and dedicated job. We shall continue to miss her.

Mr. Crawford presented Mrs. Chance and her third grade class with a flag of the United States. This flag, which had flown over the U.S. Capitol, was given to them by Senator Russell Long.
